APPROVED FABRICATOR LICENSE NUMBER FB03408

The Department of Building and Safety has approved Superior Duct Fabrication Inc. as a Fabricator within the Aluminum, High Strength Steel, Light Gauge, Light Weight Steel and Stainless Steel categories. The approved shop is located at 1683 Mount Vernon Avenue, Pomona, California 91768. Enclosed is a Certificate of Approval for your office use. Yearly renewal is required every December 1st beginning in 2021.

This company's ownership, personnel, shop conditions and quality control group have demonstrated the basic knowledge to fabricate their product, therefore; they meet the minimum standards of the City of Los Angeles. I recommend granting this company a City of Los Angeles fabricator's license.

‘Quality Control Inspector’
Richard E. Di Ioli

This letter presents the name of the person that has participated and has passed a ‘Quality Control Inspector’ evaluation examination.

The noted ‘Quality Control Inspector’ is competent only to the limitations of that ‘Approved Fabricator’ at which he is currently employed and was evaluated.

If this ‘Quality Control Inspector’ becomes employed by another fabricator shop and this letter is made available to that new fabricator shop, that fabricator shop may be newly certified, renewed, or re-established without a Department’s mandatory ‘Quality Control Inspector’ evaluation exam being required.

At the discretion of this Department, a ‘Quality Control Inspector’ is subject to review if employed by someone other than the fabricator from which he was originally evaluated and accepted by this Department.

Scoring System:

A scoring system has been developed to give this grantee an indication of the level at which their continued development may be necessary. Any future re-evaluation of a ‘Quality Control Inspector’ is dependent on this score and will be at the discretion of the Los Angeles Department of Building and Safety.

70% to 79% = Re-Qualification or Review

80% to 89% = Possible Review

90% to 100% = No Review Necessary.....Richard E. Di Ioli (93%)
